the honor of representing you in the House of Commons at Ottawa.

Your interests being so closely identified with my own affords you the surest guarantee that they will at all times receive my best attention and support: but as it is difficult to say at present what anatters may come before the House at Ottawa, this session, I shall confine my remarks to a few leading subjects, which I consider most essential to the welfare of this Province, and especially that portion of it which I seek to represent.

I shall endeavor to procure a regular and efficient Mail Service throughout the populous portions of the District.

I shall support any measures brought forward by the Local House for the establishment of a Liberal School System throughout the Province and the appropriation of the mecessary funds from the general revenue.

I am in favor of the appointment of County Court Judges in this Province.

I am opposed to the Civil List Act in its present form and should it become matter for legislation at Ottawa I shall advocate its repeal or amendment.

I shall give my support to the Dominion Government so long as it continues fairly and honorably to carry out the terms of Union, especially with regard to the construction of the Canadian Pacific Railway.

In conclusion I promise that should you do me the honor of entrusting me with your interests. I shall at all times endeavor to prove myself worthy of your confidence.

ONDERFUL CURE OF ASTREAM OF 18 YEARS STANDING. Copy of a Letter from Mr. Ferdinand Mc. Devitt. Innkeeper & Grocer, Gtenties, Co. Donegal, dated 4th Murch, 1861,

To Professor Holloway. Sir,-I suffered from asthma for 18 years, accompanied with great difficulty of breathing, and severe cough with spitting of blood. I was also afflicted with Piles. At different times I was treated by most skilful physicians, and was at length pronounced by them to be beyond cure;—as a last resource, I was induced to use your Pills and Ointment, and in the short space of a fortnight could walk about, and am now perfectly cured, to the assignishment of all who knew me.

Sir,—For many years I suffered periodically from headache, and giddiness in the head, to such a degree, that at times I have scarcely been able to walk ; after obtaining the best medical advice without effect, I tried your Pills, and in less than a week, I was completely cured. There are a few remedies known to the Medical Profession which will remove the Rheumatic Poison from the blood, but whose action is so powerful in depressing the system of the already enfectled Rheumatic patient, that their use has to be abandoned before specific effects are obtainable, hence the want of success in treating this prevalent, and in consequence heretofore incurable disease.
